

PRIME MINISTER

HOLLINGER DINNER

You have agreed to attend the Hollinger (the name of Conrad Black's company) dinner on 21 June. It is a traditional and highly regarded occasion which will be attended by a large number of Canadian notables and businessmen. It is not yet certain whether Mr. Mulroney will be present but the Governor General will be, as will the Premier of Ontario, the Chief Justice, John Turner (the Liberal Party leader), Dr. Henry Kissinger and the US Treasury Secretary Baker.

Conrad Black will speak first to introduce you and Dr. Kissinger will give a speech of thanks afterwards. Mr. Black has suggested that your speech should be on the theme of free enterprise and a capitalist economy. You have said that you will speak without a text but I attach a few notes which may be of some help in preparing what you want to say. They draw heavily on your earlier speeches.
