Dear Ronnie,

I should just like to thank you once again for all your help with my speech to the Party Conference.

As ever, your contribution was absolutely invaluable. The speech-writing process seemed to be easier than in some previous years and I felt that the speech itself was a great success.

With best wishes.

*Yours ever
Margaret*

Dear Chris.

I should just like to thank you very much for all your help with my speech to the Party Conference this year. As ever, the contribution that you sent was absolutely marvellous and I was very reluctant to change a single word. It was also very good of you to give up time during the week to come and help with the drafting process and I am most grateful.

I felt that the speech went extremely well and made all our hard work worthwhile.

With best wishes.

*Yours
Raymond*

Dear John.

I should just like to thank you for all your help with my speech to the Party Conference last week. It was very good of you to give up a Saturday to come to Chequers and, as ever, your advice and assistance was invaluable.

I am sorry that I was not able to be on the platform for your speech, but everyone has told me what a tremendous success it was. I felt that my own speech went very well and I am most grateful for all your help.

With best wishes.

Yours ever

Raymond

Dear Mr. Collins.

I should just like to thank you for all your help with my speech to the Party Conference.

It was very good of you to take so much trouble to let us have such a lot of ideas. As you will have seen, several were incorporated into the speech and I hope that I may be able to include "I Do, Ron, Ron" in another speech at some future date.

With best wishes.

Yours sincerely

Dear Mr. Marsh,

I should just like to thank you for all your help with my speech to the Party Conference last week.

In the event, I decided not to make reference in the speech to the environment or local government. However, it was immensely helpful to have your ideas and I hope very much to be able to include them in a future speech.

With best wishes.

Yours sincerely

Dear George

I should just like to thank you for all your help with my speech to the Party Conference last week.

The section on education in the speech was one of the most important and it was invaluable to have your ideas. I also much appreciated your giving up so much time to help with the drafting process. I am sorry that I kept you from your constituents and would be grateful if you would pass on my apologies to them.

With best wishes.
